

TRAVEL DIRECTIONS

Le Régent is in Crans-Montana, 1,000 metres above the town of Sierre in the Rhône valley.

The most convenient airport is Geneva (2 hrs by car and about 3hrs by train to Le Régent) although it is also possible to fly to Zürich (just over 3hrs by car or train to Le Régent) or Milan (about 3hrs by car and 5hrs by train).

There are very good rail links (usually every half hour) from Geneva, and Zürich airports to nearby Sion and Sierre and a certain number of trains from Milan airport although only a few Italian trains each day are direct to Sierre <http://www.sbb.ch/en/home.html>.

We would advise you to book a taxi from either Sion or Sierre to reach the school. You can do this through this link: <http://cransmontana.ch/hiver/en/taxi>. There are also buses and a funicular railway from Sierre to Crans Montana but these are less convenient.

By car there are good motorway (autoroute) connections from Geneva, Zurich or Milan (Malpensa airport). SatNav/GPS does the hard work.

There is also a small airport at Sion and there is the possibility of air taxis to and from different Swiss locations. (<https://www.sionaeroporto.ch/en/services/#air-taxi>)
